

EVA ACCOUNT CREATION FOR NON-INSERM RESEARCHERS

In order to modernize and simplify application's processes for recruitment, unit creation, promotion, evaluation and other programs, Inserm implemented the new EVA site for its affiliated researchers.

Follow the link below to create your EVA account :
<https://www.eva3.inserm.fr/create>

The screenshot shows a web form titled "Create an account" with a red header. The form contains several input fields: "Lastname" and "Firstname" (two columns), "Language preference" (with flags for France and the UK), "Email" and "Email confirmation" (two columns), and "Password" and "Password confirmation" (two columns). There are eye icons for password visibility. A note states: "For email address, only the lowercase characters will be taken into consideration. Any uppercase character will be saved in lowercase." At the bottom right, there is a "Go back to login page" link and a "VALIDATE" button.

Warning: your e-mail address will be used as identification for your account, you won't be able to change it after your registration.

(In order to change your e-mail identification, please contact the administrators: eva@inserm.fr)

An e-mail will be sent to your address to validate your account.

[INSERM] - Activation du compte
